## The Life of Solomon (part 2)

| II.  | Solon | Solomon's first days as king   |  |  |  |  |  |  |
|------|-------|--|--|--|--|--|--|--|
|      | A.    | His kin  | His kingdom is established greatly (1 Kings 2:12, 2 Chronicles 1:1)  |  |  |  |  |  |
|      | В.    | In order to do this, we find that he must deal with someto his                       |  |  |  |  |  |  |
|      |       | reign.   |  |  |  |  |  |  |
|      |       | At the counsel of his father David, Solomon does not begin his reign very            |  |  |  |  |  |  |
|      |       |  | (1 Kings 2:1-10).  |  |  |  |  |  |
|      |       | 2.   | He makes some very harsh decisions immediately (1 Kings 2:13-46):  |  |  |  |  |  |
|      |       |  | a. He disregarded his's request.   |  |  |  |  |  |
|      |       |  | b. He had his, Adonijah put to death.  |  |  |  |  |  |
|      |       |  | c. He had Abiathar the removed from office.  |  |  |  |  |  |
|      |       |  | d. He had Joab, one of David's men, put to death.  |  |  |  |  |  |
|      |       | 3.   | Sometimes, for a man to establish authority, hard, brave decisions must be made (obviously there are times people go too far, it doesn't appear Solomon is |  |  |  |  |  |
|      |       |  |  |  |  |  |  |  |
|      |       |  | rebuked for this action).  |  |  |  |  |  |
| III. | Solon | non's  | (1 Kings 3:3-3:15, 2 Chronicles 1:1-12)  |  |  |  |  |  |
|      | A.    | Solom  | Solomon loved the Lord, and apparently had a strong desire to walk in the good name of   |  |  |  |  |  |
|      |       | his fat  | his father David.  |  |  |  |  |  |
|      | В.    | Apparently, even though God accepted the sacrifices that came from the tabernacle in |  |  |  |  |  |  |
|      |       | , it wasn't supposed to be there (see <b>Deuteronomy 12:1-4</b> ).                   |  |  |  |  |  |  |
|      |       | 1.   | They were not to do as the heathens did.   |  |  |  |  |  |
|      |       | This seems to be a bit of foreshadowing of God's desire to have Solomon build        |  |  |  |  |  |  |
|      |       |  | the in Jerusalem.  |  |  |  |  |  |

|            | C. Sometime in the very early stages of his reign, the Lord visited Him at Gibeon in a vis |    |   |   |   |  |  |  |  |

|            |  | 1. | The Lord asks Solomon what He could give him. |   |   |  |  |  |  |
|            |  | 2. | Solomon makes a request.                      |   |   |  |  |  |  |
|            |  |    | a.  | Solomon shows humility.   |   |  |  |  |  |
|            |  |    | b.  | Solomon implies he wants to be able to reign like his father (reminiscent |   |  |  |  |  |
|            |  |    |   | of Elisha's request for a " portion" of Elijah's                          |   |  |  |  |  |

|            | b. Solomon asks for wisdom and knowledge.  |    |   |   |   |  |  |  |  |
|            | 3. The Lord is pleased with Solomon's answer.  |    |   |   |   |  |  |  |  |
